FIRST ASSISTANT SECRETARY TO GOVT. 5358 20 JAN 1956 AGRICULTURE DEPARTMENT

D.5.2349/55 dated 12-1-56.

Sir,

Sub:- ESTABLISHMENT - Paddy Breeding Station, Mangalore - Temporary posts - Permanent retention - Proposals - Submitted.

Ref:- G.O.Ms.No. 93 Agriculture Department dated 10-1-55.

-v-

In G.O. No.80 Food & Agriculture Department dated 10-1-56, the Government sanctioned the employment of the following additional staff for the Agricultural Research Station, Mangalore.

1) One Assistant Paddy Specialist, on Rs. 230--700.

2) One Assistant on Rs. 100--220.

3) One Store Clerk on Rs. 45--90.

4) One peon on Rs. 18--25.

These posts were filled up during May--June 1950. In G.O. No.MS. 1233 Food & Agriculture Department dated 14-6-51 the Government sanctioned the conversion of the post of the Store Clerk mentioned above into that of a Clerk-cum-typist. Along with the conversion of the above post, the Government also sanctioned the employment of one additional peon for the station. The strength of additional staff at the station since then consisted of one Superintendent, one upper subordinate, one clerk-cum-typist and two peons. These posts were being continued from time to time. These were last continued in the G.O. cited. The existing sanction for these posts will expire on 29-2-56. Except the post of one additional peon sanctioned in G.O.No. MS. 1233 Food and Agriculture Department dated 14-6-51 which has not yet completed five years of existence, all the other posts mentioned above have been in existence for more than five years.

2) To tackle the large amount of scientific work already on hand and those proposed to be taken up and also for the efficient management of the station it is considered very essential to retain these additional staff permanently for the station. The appointment of a clerk-cum-typist and the supply of a typewriter have proved extremely useful. The clerk-cum-typist has been typing on an average about 20 to 25 sheets besides attending to other items of routine work.

(continued..

3) I request that government may be pleased to sanction the permanent retention beyond 29-2-1956 of these additional staff except the additional post of peon sanctioned in G.O.MS. 1233 Food and Agriculture Department dated 14-6-51. This additional post of peon may be permitted to be continued temporarily for a further period of one year from 1-3-56 to 28-2-57.

I request early orders.
